Dear Parents,

Class – UKG

It is the mission of the school to provide holistic development to your ward, so that he or she faces the challenges of the changing world with confidence. It is for their development that school conducts activities that will bring out their innate talents. Of course, activities are not a part of curriculum and they are not compulsory; so, it is not obligatory for the school to conduct them. Activities hone their skills, so that they can be at par with any competitor.

In days of financial crisis and human resource shortage, it is rarity to get well qualified and efficient teaching faculties. The management can provide world class infrastructure, but it is in the quality of the teachers that determines the knowledge imparted to your ward. The management is trying to recruit good teachers and equip them with in-house training and even outsource personnel for development programmes in order to update their knowledge. All this costs money.

Under the said circumstances, the fees determined by the school for the Academic Year 2025 -2026 is now available in our school Nirals app.

Please note that the fee increases from LKG to UKG std is only by 8.6%. We request you to pay full year fees or the first term fees on or before **23rd April 2025**.

NOTE:

- Online Fee payment module is now available in our school **Nirals app**.
- Online payment processing is shared as a link in Nirals app.
- Sibling concession fees is granted only for second term and it can also be paid through online mode. If not, kindly contact our school office.
- Requesting you to pay the fees only through **DD** in favour of **Kavi Bharathi Vidyalaya** at our school office (Timing 9.00 am – 12.00 noon)
- Cash or Cheque payments will not be accepted.
- We are happy to encourage our parents to prefer fees payment through online mode.
- Facing difficulty in online payment processing, contact school office for guidance.

- A late fee of ₹.100 per day will be charged from **Friday 9th May 2025**.
- No further extension for fee payment will be given after the due date.

Of course, activities are not a part of curriculum and they are not compulsory; so, it is not obligatory for the school to conduct them. Activities hone their skills, so that they can be at par with any competitor.

In days of financial crisis and human resource shortage, it is rarity to get well qualified and efficient teaching faculties. The management can provide world class infrastructure, but it is in the quality of the teachers that determines the knowledge imparted to your ward. The management is trying to recruit good teachers and equip them with in-house training and even outsource personnel for development programmes in order to update their knowledge. All this costs money.

Under the said circumstances, the fees determined by the school for the Academic Year 2025 -2026 is now available in our school Nirals app.

Please note that the fee increases from II to III std is only by 7.8%. We request you to pay full year fees or the first term fees on or before **23rd April 2025**.

NOTE:

- Online Fee payment module is now available in our school **Nirals app**.
- Online payment processing is shared as a link in Nirals app.
- Sibling concession fees is granted only for second term and it can also be paid through online mode. If not, kindly contact our school office.
- Requesting you to pay the fees only through **DD** in favour of **Kavi Bharathi Vidyalaya** at our school office (Timing 9.00 am – 12.00 noon)
- Cash or Cheque payments will not be accepted.
- We are happy to encourage our parents to prefer fees payment through online mode.
- Facing difficulty in online payment processing, contact school office for guidance.
